

The New Shoe.

In walking, you will notice that as you place each foot on the ground and the weight of the body swings forward upon it, there is a slipping forward of that foot inside the shoe.

The shoe itself never slips forward on the ground; it is the foot which slips forward inside the shoe. Now it is this continual slipping forward of the foot which makes walking so tiresome. It drives the toes into a wedge, crowding them together and causing corns. The "Dorothy Todd" shoes are made in such a way that

the foot cannot slip forward and that is why they are so comfortable. As the foot does not slip forward a smaller size shoe can often be worn. It is a totally different construction from every other ladies' shoe made. Try them once!

FARMVILLE.

(Special to The Times-Dispatch.)
STATE NORMAL SCHOOL, FARMVILLE, VA., Oct. 31.—The Faculty Magazine Club has had two very interesting meetings during the last three weeks. "Child Study" was the subject for discussion Monday evening, October 12th. Mr. Elmer E. Jones led with a report on one of the late books on this subject. President Jarman followed, discussing a most interesting article from the "Psychological Review."

"The Training School Versus the Model School," was the subject of the last meeting, October 26th. Miss Natalie Lancaster described the Dewey school connected with Chicago University. Miss Hailburton and Miss Freeborn reported on the "Horace Mann School," and the "Speyers School," connected with Teachers' College, Columbia University. The programme was concluded by a report on "The Practice School or the School of Observation," an article by Professor R. K. Pies.

An archery club of 12 members selected from faculty and students, has just been organized. Mr. Elmer E. Jones was chosen president, and Miss Olive Hinman secretary. Equipments of bows, arrows and targets are now on the way to Farmville, and an archery sport is anticipated during the rest of the autumn.

The two tennis clubs, of which Miss Lancaster and Miss Hills are the presidents, have at last gotten their courts in order, and are enjoying some spirited games. Almost every afternoon, President and Mrs. Jarman, Mr. Jones and Miss Dunn, and Mrs. Morrison, who acted as chaperone for a large party of young ladies, saw the foot-ball game between Randolph-Macon and Hampden-Sydney, on Friday, October 23d. They saw the game in spite of a driving rain, which did not drive either combatants or spectators from the field.

Mrs. Fannie M. Tabb and her daughter, Miss Jennie, charmingly entertained some of their young friends from the Normal School and Hampden-Sydney on Friday evening, October 23d. The young ladies present were Misses Steptoe Campbell, Hattie Cox, Adelaide Everett, Esther Owen, Cora Quillen, Ruth Schmelz, Courtney Taylor, Maud Thompson and Calva Watson. SOUTH BOSTON

(Special to The Times-Dispatch.)
SOUTH BOSTON, VA., Oct. 31.—As the season progresses the ladies' interest in flinch parties seems to increase. On Tuesday evening Miss Mildred Willingham entertained the Flinch Club in splendid style at the beautiful home of her parents, on Main Street. At the conclusion of the game, which lasted several hours, the most elegant refreshments were served, which were greatly enjoyed by all present, and a few who could not attend were kindly remembered. The occasion was greatly enjoyed and much complimented for the unique manner in which all were entertained.

On Tuesday night, at Hill's Opera House, a large concourse of people assembled to see the drama, "Under the Southern Cross," played by amateurs. The acting was superb and greatly pleased the vast audience. The proceeds of the play were for the benefit of the Confederate monument to be erected in Halifax to commemorate the valor of the boys who were the gray from '61 to '65. Nearly \$1,500 has already been subscribed and donated for this purpose. It is generally thought that during 1904 enough money will be in the hands of Colonel Henry Easley, treasurer, to erect a magnificent shaft. All of the adjoining counties have more money and the funds seem propitious for Halifax to follow her sister counties.

Mrs. William Carrington, of Bristol, is visiting her daughter, Mrs. R. E. Jordan.

Misses Emma Lea, of Danville, and Alice Betts, of Mecklenburg, are visiting the Misses Watkins, on Logan Street. These charming and beautiful ladies are much admired by the "eligibles" of South Boston.

Miss Mary Dodson, of Danville, has been the guest of Miss Laura Stobbs during the week. Cadet Charles Owens, of the Virginia Military Institute, and Thornton Wilson, of Washington and Lee, are at their homes on furlough, because of the epidemic of typhoid fever in Lexington, Va. There is a small pox scare in Halifax, on the borders of Virginia and North Carolina. Several cases have been reported. The doctors are using all the necessary precautions to stamp out the dangerous disease.

Waverly.

(Special to The Times-Dispatch.)
WAVERLY, VA., Oct. 31.—Mrs. J. B. Walcott, of Richmond, who spent the summer at the home of her sister, Mrs. Dr. John F. May, of this place, has returned to her home in Richmond.

Mrs. George C. Cox is dangerously ill at her home about four miles from Waverly.

There are two gentlemen in this community from Ohio, taking oil leases. They have reasons to believe that oil can be found here, and expect to begin boring for it in the near future.

Mr. J. W. West and Mrs. R. T. West, of Waverly, are away this week in attendance upon the session of the Eastern Virginia Christian Conference, now in session near Windsor, in Isle of Wight county.

Rev. R. H. Peel, who has served as pastor of the Waverly Christian Church for the past four years, will next week move his family to Suffolk, Va. He will be succeeded here by Rev. H. E. Rountree, of Nansemond county, who will preach his first sermon here next Sunday morning.

This Free Distribution Begins Monday

Morning at 9 o'clock, and continues All Day Tuesday.

To the Editor of The Times-Dispatch:
Having discovered a new remedy which I believe will revolutionize the practice of medicine, I must earnestly ask that you assist me in its introduction by allowing me to make a free distribution from your office.

I want the public to know the truth, know it as I know it.

I believe there is a cure for every disease—I believe that human life can be prolonged—I believe that people should die only from old age, and I also believe and know that my Paw Paw remedy will not only relieve much suffering, but add many years to the average life.

In my opinion dyspepsia and indigestion are the cause of most ailments. Indigestion means nervousness, sleeplessness, impure blood, catarrh, sluggish liver, kidney and heart affections. No person can be happy—no person can see the beauties of life and enjoy its pleasures, who suffers from any form of stomach trouble.

An eminent actor called my attention to the wonderful benefit he had derived from eating Paw Paw fruits, telling me that it had made almost a new stomach for him. I began to experiment with this fruit and found it to be a most powerful aid to digestion.

I have taken the medicinal qualities of this fruit and combined it with other medicaments and have made a preparation which is called "MUNYON'S PAW PAW."

I cannot recommend this remedy too highly for all forms of indigestion and nervousness. This remedy also acts wonderfully well on the liver, blood and kidneys, but I believe its greatest office is to stimulate the nerves and put into active force every tissue of the body.

It lifts one into the altitude of hope and holds him there. It is a bridge that enables the weak and sickly to cross dangerous places. It feeds and nourishes the nerves, so that the blood corpuscles will be constantly revitalized, and the losses of the vital forces will be almost imperceptible. In other words, it will supply a sufficient quantity of matter to take the place of the waste.

Instead of irritating the nerves and stomach, it soothes and strengthens them.

Almost every human being some time requires a stimulant. NOT AN ALCOHOLIC STIMULANT, not a stimulant that will buy up for a moment and then cast down to lower depths of depression, but a stimulant that will give an abiding strength and lasting force.

My Paw Paw remedy also stimulates the digestive hearty foods and so make good, rich food, which again in turn strengthens the nerves, vitalizing all the tissues, and soon produces muscle, tissue, bone.

It is my opinion that the clergymen in this country could do no greater service to the cause of temperance than to advocate the general use of my Paw Paw, for by its use drunkenness would be lessened, and the morals and health of the community greatly improved.

We cheerfully open the columns of our paper to this investigation and hope that every person suffering with any nerve or stomach trouble will give this remedy a careful test.

This free distribution begins to-morrow at 9 o'clock from the office of The Times-Dispatch.

I have so much confidence in this remedy that I propose distributing trial bottles free, from the leading newspaper offices throughout the country. I want everybody to try it, feeling that it will bring relief and happiness.

Trusting you will aid me in this investigation, I beg to remain,
Yours faithfully,
J. M. MUNYON.

Professor Munyon has adopted the same method of introducing this remedy that has characterized the introduction of all his other remedies—by distributing free samples from the leading newspaper offices, and inviting the public to make a thorough test and then report the results through the columns of the newspapers.

We cheerfully open the columns of our paper to this investigation and hope that every person suffering with any nerve or stomach trouble will give this remedy a careful test.

This free distribution begins to-morrow at 9 o'clock from the office of The Times-Dispatch.

STAUNTON SOCIETY.

(Special to The Times-Dispatch.)
STAUNTON, VA., Oct. 31.—A pretty but quiet wedding took place at the home of Mr. and Mrs. B. H. Wiseman, on North Augusta Street, Wednesday night, when their daughter, Miss E. M. Wiseman, became the bride of Mr. R. H. Moyerhoffer. There were only a few of the most intimate friends and relatives of the contracting parties present. The ceremony was performed by Rev. W. N. Scott of the Second Presbyterian Church. Mr. and Mrs. Moyerhoffer left on the 2 o'clock train for Baltimore and Philadelphia, and after their return will make their future home in this city.

Invitations are out announcing the approaching wedding of Miss Kate Edith Elcheberger, daughter of Mrs. Susan Baylor Elcheberger, of this city, to Mr. Frank W. Bell, of Staunton, the wedding to take place Wednesday morning, November 11th, at 10 o'clock, at Trinity Episcopal Church.

Miss Mary Julia Moran, daughter of Mr. and Mrs. Peter Moran, of this city, and Mrs. J. W. Pace, of Newport News, Va., were married Wednesday morning at the residence of Mrs. John W. Meade, a sister of the bride.

The parlors had been beautifully decorated for the occasion with chrysanthemums and potted plants. In one end of the room was erected an altar banked with many colored chrysanthemums, with a background of leaves and greenery.

The ushers were Messrs. Frank Moran, brother of the bride, and R. E. Murray. Miss Bessie Meade acted as ring-bearer.

The bride was given in a beautiful tailor-made suit of blue broadcloth, with hat and gloves to match. The ceremony was performed by the Rev. Father Joseph Fröhl, of St. Francis Church.

Mr. Pace for a number of years lived in this city, where he has many friends. The bride and groom left on the morning train for Newport News, their future home.

Hon. Joseph Burton, of Richmond, was in the city this week.

Mrs. A. E. Dabney, was in Richmond this week as a delegate to the King's Daughters Convention held there.

Miss Emma Hoge is visiting friends in Richmond, after which she will leave for a trip to Georgia.

Miss Ida V. Lambert, of this county and Mrs. Wm. Simpson, of Dayton, O., were quietly married at the residence of the Rev. David Bush Monday night. The ceremony was a quiet one. The bride and groom left for Ohio.

Miss Lizzie Cochran, of Richmond, is visiting Miss Rose Harrison, on West Frederick Street.

MECKLENBURG.

(Special to The Times-Dispatch.)
SMITH'S CROSSROADS, VA., Oct. 31.—The entertainment given for the benefit of Ephesus Baptist Church, in the Masonic Hall, this place, Friday evening, was a grand success. Refreshments were served on the grounds from 5 P. M. to 7:30 P. M., after which the doors were thrown open to the guests from all parts of the county. Among the guests from a distance were Mrs. Myrtle Lockett Avery, of New York City, who delivered at the opening address; Mr. Thomas N. Williams, of Clarksville, Va.; Mr. E. C. Gode, of Boydton, Va.; and Thomas A. Pettus, Esq., of Chase City, Va.

Salem.

(Special to The Times-Dispatch.)
SALFORD, VA., Oct. 31.—The Bachelor Maids' Euchre Club was delightfully entertained on Tuesday afternoon by Miss Lucy Clifton Biggs at the residence of her parents, Mr. and Mrs. W. A. Biggs, on Pennsylvania Avenue, in honor of her guest, Miss Melita Wilson, of Radford, Va. The amusement for the afternoon was progressive euchre. The score was kept by Miss Glennie Martin, each score card representing some interesting scene, nuts and punch were served during the games. The first prize was a pretty picture, was won by Miss Wilson, and the consolation prize also a picture, went to Miss Grace Wiley. After awarding the prizes cream and cake were served.

Those present were Misses Melita Wilson, Emma Ayres, Lella Killian, Grace Wiley, Annie Langhorne, Glennie Martin, Lella Killian, Jane Johnston, Mary Shanks, Lillian Stevens, Bessie Henderson, Mary Killian and Bessie Galloway.

The Social Club was most charmingly entertained Thursday evening by a Halloween party, given by Miss Claudine Ferguson at the residence of her mother, Mrs. W. A. Ferguson, on High Street.

Jack-o'-lanterns graced the veranda, and there were decorations of autumn flowers. The guests were received by the prettiest hostess, gowned in pale blue tulle, and Mrs. W. F. Morehead in a creation of white and black organdy.

Progressive flinch was the principal game of the evening. There were seven tables, and candy was served during the games. The young men were given "Jack-o'-lantern" tally cards, and the young ladies "Picture" tally cards. The score was kept by Miss Claudine. The first prizes were won by Miss Kate Garrett and Prof. Kogley, and the consolations went to Miss Martha Duncan and Mr. F. H. Chalmers.

A light and delicious supper was served. After dinner the guests were ushered into the dining-room, where various Halloween methods for determining one's future husband or wife were tried. Gilded English walnuts, with ribbons, were opened, and the slips of paper therein were found, when heated, to contain dainty messages.

Test and the taking of apples from a bowl of water with the teeth created much merriment. Musical selections also added to the pleasure of the evening.

Those present were Misses Bessie Henderson, Mattie Henderson, Annie Langhorne, Jane Johnston, Lucy Johnston, Mabel Bowman, Anna Garrett, Kate Garrett, Mary Harman, Katharine Evans, Mattie Clark, Messrs. Sheldon Bowman, Robert Hubbard, Horace Fox, John Hawkins, S. Shugart, F. E. Wodemer, Chalmers Ferguson, Bryant Ferguson, A. H. Snider, Allen Greenland, Paul Mann, G. McCune, and Mrs. Alice Chalmers.

Miss Martha Duncan, Mrs. W. F. Morehead, Mr. and Mrs. Frank H. Chalmers, Prof. and Mrs. W. A. Smith, and Prof. F. E. Kogley.

Salem will be quite gay socially this winter. Besides other receptions, there will be the regular entertainment of the Euchre Club, the Literary Club, the Bachelor Maids' Club and the Social Club. It is thought that some of the marriage ladies will organize a club, and that Salem will have five social organizations.

WILMINGTON.

(Special to The Times-Dispatch.)
WILMINGTON, N. C., Oct. 31.—Scores of his friends in Wilmington will be more than interested in the announcement of the engagement of Dr. Edwin Anderson Alderman to Miss Bessie Hoar, of New Orleans. Dr. Alderman is a native of Wilmington and was formerly president of the State University, and is now president of Tulane University, in New Orleans.

Miss Hoar is prominent and very wealthy, and is a leading society woman of New Orleans.

Interest of a large number of friends here is also felt in the announcement of the forthcoming marriage of Mr. J. H. Skiles, formerly of this city, and Miss Helen Nott, daughter of Dr. and Mrs. T. B. Nott, of Spartanburg, S. C. The wedding will take place on November 4th, in Spartanburg.

On October 30th, at 10 o'clock, German Club, opening the terpsichorean season in local society, was given Thursday night in the Masonic Temple, and it was indeed a brilliant event. It was an auspicious opening of society's dances.

Mr. Clayton Giles led the German in his most graceful fashion. Many people were among the fashionable spectators.
